Bridge Builders, road builders. Brick makers,
Stone cutters Real Estate Developers,

snake
creek

SALOONS AND TAVERNS

Saloons and taverns for the convenience of miners in the Midway area were operated during the mining era, but quickly faded from the picture with the beginning of prohibition. The establishments were mostly of the "movie variety"—hard liquor sold over a bar and disputes settled with six guns. Pool tables and cards were featured, although dance hall girls were prohibited. In recent years there have been a few billiard and pool halls operated.

Table contents contd

artists:

Art Fernie Whittaker
Scott Whittaker
Bill
Valoy Eaton

writers: Simon Shelby Epperson
John Watkins ^{Biog.}
Orma Whittaker Wallengren

Historians: John Huber
